Blending Experience

1:30 - 2:00 hours

1 — Reception: get checked in, your whiskey master will come and greet you here.

5-6 — Church: get a quick tour of the distillery to learn about the whiskey making. See points 5 and 6 on the distillery tour map

7 — Whiskey School: taste 3 samples of whiskey. Blend cask strenght whiskeys together to make your own 100ml bottle and bring it home

Gin School

1:30 - 2:00 hours

I — Reception: get checked in, your gin master will come and greet you here.

II — Prep Room: leave your bags and jackets, make yourself confortable and get an apron

III — Gin School : choose your botanicals, fill out a tea bag and distill your own gin in a miniature potstill. Fill your 70cl bottle and bring it home. Drink three gin and tonics through the experience

Cocktail experience

1:15 hours

A — Reception: get checked in, your master mixologist will come and greet you here.

B — Pub: make and drink three cockatils, learn about their history, the ingredients and the techniques
